

# **CDL – CLASS A DRIVER**

## **Madison, IL62060**

### **About the Job:**

CDL- CLASS A Driver

MCS is a steel fabrication/construction company that has an immediate opening for local and long distance CDL – CLASS A Driver.

Our company works in Millwright, Rigging, Turnkey Installations, Custom Fabrication, and Mechanical Services—including Piping, and Facility or Vessel modification and repair. Hauling Large Equipment is a big part of this job.

### **Job Qualifications:**

- Strong backgrounds in the construction industry and/or steel fabrication
- Experience in loading and unloading and in transportation of large equipment
- Experience operating forklifts, man lifts, carry decks, and cranes
- Successful candidates must possess the ability to communicate effectively with operations
- Willingness to learn attitude

### **Duties Will Include:**

Overnight/Long distance travel is occasionally required

- Must possess CDL class A with current DOT medical card
- Support field crews through material and equipment job site deliveries (Large Equipment)
- Load/Unload trailers of products to meet deadlines
- Easily adapts to fast paced challenges and focus on continuous improvement
- Mechanically inclined with willingness to learn new skills and follow instruction
- Self-motivated with the ability to follow tasks through completion
- OSHA 10 and 30 cards are a plus

**\*\*ALL CANDIDATES MUST PASS A BACKGROUND CHECK AND  
PRE-EMPLOYEMENT SUBSTANCE TESTING SCREENING \*\***
